Birdies for Family Promise

Family Promise of Bergen County

Feeling good about your golf game (or need some inspiration to do better)? Share your success on the course with ***Birdies for Family Promise!***

Based on the level of golfer you are you can set different goals. It could be striving for a par on each hole or a birdie, etc. For example you can pledge:

- $5 donated for each birdie made during the season
- $25 donated for an eagle
- $3 for each stroke under a score of 80

It's up to you! Keep track on your own and at your convenience make your donation. You can donate one of three ways:

- Visit the Donate page of bergenfamilypromise.org and choose "Birdies for Family Promise"
- Send a check to Family Promise at 100 Dayton Street, Ridgewood, NJ 07450
- Call us at 201-833-8009 with your credit card and we will process your donation over the phone

At the end of the season we will post the total amount raised and the names of all the donors. Of course all donors will receive a tax receipt letter acknowledging your donation.

Thank you and good luck!
